Onyx

Personal Alarm

The Onyx personal alarm launched in 2013 as the world's first jewellery inspired personal alarm.

Disguised as a piece of jewellery, the Onyx eliminates stigma and conceals vulnerability. The new and updated Onyx has enhanced features and is more durable and reliable than ever before.

Features list

- Increased range of up to 600m (line of sight)
- Discrete jewellery inspired design
- Interoperable with other major TEC suppliers
- Real metal insert
